

DAY OF GIVING
February 10, 2022
THE WILDCAT FUND

S *trengths*

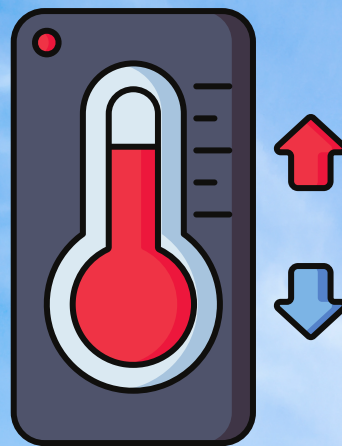

***An Air Filtration System will improve
the resiliency of the school
against COVID-19, allergens, and other future
contaminants.***

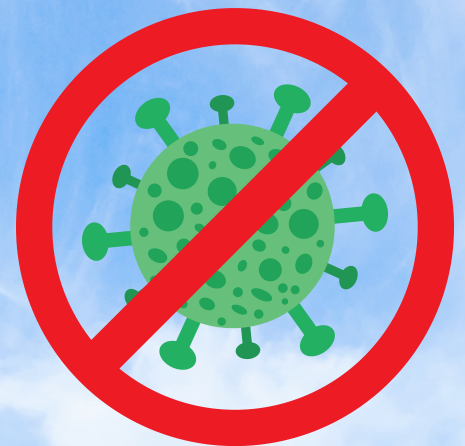

**Dedicated
Units in
Each
Classroom**

**Promotes
increased
circulation
and improved
air quality**

**Classroom
temperature
control
increases
comfort and
consistency**

**Combats
germs
by
preventing
cross
ventilation**

Opportunities

**Infrastructure Updates
will enhance
safety, accessibility,
and a sense of belonging
for our Wildcats,
now and into the future.**

SAFETY BOLLARDS

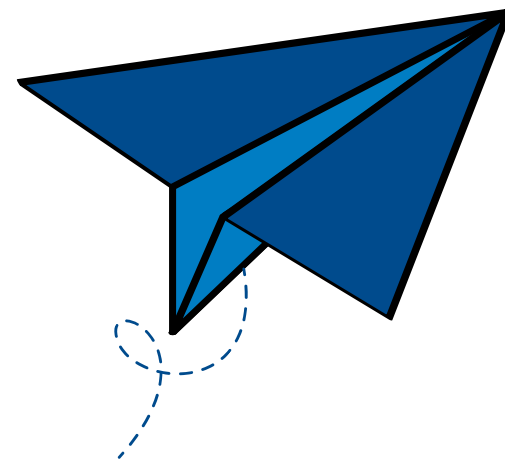

NEW CLASSROOM DOORS & LOCKS

A

dvancements

Redesigning our traditional Science lab into a true STREAM environment aligns with OLG's progressive approach to collaborative learning.

**DAY
OF
GIVING
2022**

Our Inspiration

**Moveable &
Modular Furniture**

**Floating Teacher
Experiment Space**

R*esults*
