Information about Summer Reading Assignments:

Required Reading: *The Boys in the Boat (Young Readers Edition)* by Daniel James Brown

"The Boys in the Boat" is a required reading. Please note that a short reading comprehension quiz on this book will be given on the first day of school. Students are required to have a copy of *"The Boys in the Boat"* to use in class starting on the second day of school. Students will be expected to complete in-class assignments on the novel during the first week.

Read 2 additional books for a total of 3 books read during the summer: The above list has some suggested books you may choose from. Students are encouraged to pursue their own interests in their summer reading. When selecting a second book, please keep in mind that it is grade-level appropriate in terms of content and challenge, and also supports the faith and belief of Catholic values. Other resources for book suggestions are: www.readkiddoread.com, www.goodreads.com, the local librarian, or a favorite bookstore. Parents may also opt to use their student's Scantron data (more specifically, the Lexile score on the student's reading test) from the 2021/2022 school year to select a book that is appropriately challenging for the student. Parents and students may search for books by Lexile score at www.lexile.com. For the choice reading, students should choose a book that is the original work (no illustrated classics or abridged versions) and one that they have not previously read.

Note that with the choice reading assignment, parents are ultimately responsible for approval of the content of the book selected by the student. Thank you!
