| Mon. 10/1 | Math (Molnar) test;
Used uniform sale |

A little note...

I'm excited about an opportunity our class has been given to "test" various methods of flex seating in our classroom. We are hoping to find what helps students focus and work better. The students helped draft rules for usage and have done a fabulous job using the various items. Ask them about the kick bands or balance boards or squishy seats they may have used. We've already received complements from other teachers about well we use these tools!

Our Learning

- English – We will work on pronouns
Reading – We will focus on Theme & Setting in our story.
Social Studies – We will take a quiz on Tuesday focusing on the core concepts we have been learning about.
Religion – We will learn about Jesus calling us to worship.
