Little Notes

Monday starts the new trimester. I like to look at it as a fresh start for everything. The slate of grades is wiped clean, and everything starts anew. This is a good time to discuss goals for the new trimester with your child. Feel free to share them with me, so I can help your child work towards those goals. With that, we have are entering an exciting month. Please remind your child to put their best effort forward.

Our Learning

- Religion – We continue to learn about the Mass parts.
- Reading – We are reading *Number the Stars*.
- English – We are learning about verbs.
- Social Studies – We will begin our Asia unit.
- Math (Jones) – The students will continue learning about fractions.
- Science – The students will start learning about cells.

It's cold outside...

We are in that cold season of the year. I know it can be a battle with your child, but please make sure they bring a coat to school. We try to go outside for recess unless the weather is extreme.
